In 2015-2016, the City of Pittsburgh assembled an Affordable Housing Task Force to better understand the affordable housing needs across the City. The Task Force recommended the City establish a Housing Trust Fund, and as a response to the need of affordable housing, the Pittsburgh Housing Opportunity Fund was created.

The City of Pittsburgh is committing \$10 million per year for the next 12 years to address the affordable housing crisis. Because of community feedback provided during the 2018 Allocation year, the HOF Advisory Board was able to approve five programmatic areas:

- Rental Gap Program
- Homeowner Assistance Program
- Down Payment and Closing Cost Assistance Program
- Housing Stabilization Program
- For-Sale Development Program

We want to hear your voice and learn how HOF can better serve you!
