PITTSBURGH Strip District and Produce Terminal Revolving Loan Fund Program Guidelines

I. Statement of Purpose

The Pittsburgh Strip District and Produce Terminal Revolving Loan Fund (SDPT) Program is designed to stimulate the growth of new and existing businesses seeking to open in the Product Terminal and the surrounding Strip District business community. The SDPT provides market-rate gap financing to small businesses based on determination of need, where the applicant is unable to finance fully the proposed project with equity, bank financing and other private and public financing.

P4 is an effort to forge a new model of urban growth and development that is innovative, inclusive and sustainable. This model is based around a central, unifying framework—p4: People, Planet, Place and Performance—and launched at an international summit organized by Sustainable Pittsburgh in April 2015.
