South Beatty and Mignonette Streets RFP

The Urban Redevelopment Authority (URA) issued a Request for Proposals (RFP) seeking redevelopers to purchase and redevelop multiple publicly-owned sites on South Beatty and Mignonette Streets in the East Liberty area of the City of Pittsburgh.

The goal of this RFP is to select a respondent who can complete a high-quality mixed-use, mixed-income development, including a parking structure.

Please join us to hear presentations from shortlisted redevelopers and provide feedback on the proposals.
