

# COVID-19 Housing Stabilization Fund

In an effort to help City of Pittsburgh residents maintain stability during the COVID-19 pandemic, the URA has partnered with the Urban League of Greater Pittsburgh to administer the COVID-19 Housing Stabilization Fund.

The fund provides rental, mortgage, and utility assistance to workers who are affected by the outbreak because their hours were cut and/or not able to work given the many circumstances associated with preserving public health and community safety.

## Eligibility Criteria

Applicants must:

- Be a City of Pittsburgh resident
- Be employed, recently employed, or self-employed and experience a reduction in hours or a layoff due to the employer reducing/eliminating work hours; or the loss of contract work as a public health precaution related to the COVID-19 virus (Documentation from the employer will be required.)
- Be experiencing a financial hardship and inability to pay rent, mortgage payment(s), or utilities

## Area Median Income Chart

Household Size	50%	80%
1	\$28,000	\$44,750
2	\$32,000	\$51,150
3	\$36,000	\$57,550
4	\$39,950	\$63,900
5	\$43,150	\$69,050
6	\$46,350	\$74,150

### Income Limits

Mortgage Assistance: At or below 80% AMI

Rental Assistance: At or below 50% AMI
