

**Neighborhood Housing Program (NHP)
Housing Recovery Program-Developer (HRP-D)**

In order to make purchasing a home affordable, the URA offers 0% deferred second mortgages to eligible buyers. The loan does not have to be paid back until the buyer sells or transfers the property. The requirements of the construction financing dictate how much second deferred money will be provided for each individual property and the income guidelines.

- **Newly constructed** homes are sold to qualified buyers through the Neighborhood Housing Program (NHP).
- **Rehabilitated** homes are sold to qualified buyers through the Housing Recovery Program -Developer (HRP-D).

For many properties, deferred second mortgages can be up to \$55,000. These homes are listed on our website at www.ura.org. **Please contact the Sales Agent to find out the particulars for each property or call the URA at 412-255-6698.**
