

COVID-19 Vaccine Clinic

UPMC is proud to partner with the Urban Redevelopment Authority of Pittsburgh (URA) to bring COVID-19 vaccines to the communities of the Hill District and surrounding areas.

WHEN

Friday, July 23, 2021

11 a.m. to 3 p.m.

Appointments encouraged and walk-ins welcome. To schedule, please call **833-653-0518** and ask for the URA Clinic or register [here](#).

If English is not your preferred language and you would like to schedule with an interpreter, please call **833-660-2416**.

Someone from UPMC may call you to schedule your appointment. If you receive a call from **412-432-7555**, please accept the call.

WHERE

Shop 'n Save Plaza

1850 Centre Ave.

Pittsburgh, PA 15219

WHO

For those in the **Hill District and surrounding communities**.

This clinic will offer the Pfizer vaccine, which is recommended for those 12 and older and the Johnson & Johnson/Janssen vaccine, which is recommended for those 18 and older.

Please note, anyone under 18 years of age will need parental consent.

For more information, please visit UPMC.com/COVIDVaccine.
