

## **GREATER HILL DISTRICT NEIGHBORHOOD REINVESTMENT FUND**

### **POLICIES AND PROCEDURES**

#### **I. BACKGROUND**

A. The Community Collaboration and Implementation Plan dated September 11, 2014 (the “CCIP”) was the result of a multi-year process that included the convening of community members, residents and stakeholders. Pittsburgh Arena Real Estate Redevelopment LP, (“PAR”) the Hill District Community (represented by Councilman R. Daniel Lavelle), and the Lower Hill Working Group (represented by Marimba Milliones, President and CEO of Hill CDC) (“LHWG”) entered into the CCIP, pursuant to which the foregoing agreed to use commercially reasonable efforts to collaborate on the implementation of the CCIP with respect to the Greater Hill District (as shown on Exhibit A to the CCIP).

B. The City of Pittsburgh (“the City”) and Allegheny County (“the County”) (jointly known as the “Municipalities”) joined in the CCIP and agreed to provide support to the CCIP in an effort to assist in and further continued redevelopment of the Greater Hill District. Although not signatories to the plan, it was anticipated that the Sports & Exhibition Authority of Pittsburgh and Allegheny County (the “SEA”) and Urban Redevelopment Authority of Pittsburgh (the “URA”) would also contribute to the effort.

C. Among other things, the CCIP provides for the establishment of the Greater Hill District Neighborhood Reinvestment Fund (the “Reinvestment Fund”). The CCIP also provides for the Project Stakeholders under the CCIP (including PAR, LHWG, the City and the County) to use commercially reasonable efforts to develop a comprehensive plan for the Reinvestment Fund, establish the Reinvestment Fund, and finalize governing documents for the Reinvestment Fund.

D. When on December 2, 2014, the City Planning Commission decided to exclude formal adoption of a community benefits agreement as part of Pittsburgh Arena Real Estate Redevelopment LP (“PAR”)’s Preliminary Land Development Plan, the Hill CDC independently filed an appeal in the Court of Common Pleas on January 2, 2015 to safeguard benefits for the Hill District and its residents. In order to avoid further time and expense, PAR, the Hill CDC, and City of Pittsburgh executed a settlement agreement on January 19, 2015 that stipulated many historic and bold agreements. The Hill CDC should be commended for their actions and the results they produced.

E. One result required the City to work with the URA to create a LERTA District, where fifty percent (50%) of the abatement from the LERTA will be allocated to the Greater Hill District Neighborhood Reinvestment Fund. The URA Board, through Resolution No. 38 (2015), adopted at their January 26, 2015 special meeting, authorized staff to take all necessary actions to advance, implement, and administer the proposed LERTA structure. This included presentation of LERTA legislation to the City, County, and Pittsburgh School District (“Taxing Bodies”) in order to authorize and implement the Lower Hill LERTA District.

F. The City legislative effort was led by URA board member, Councilman Lavelle. On February 3, 2015, two ordinances (2015-1270, 2015-1271) amending and supplementing Pittsburgh Code, and a resolution (2015-1269) authorizing a cooperation agreement with the URA, created and provided for implementation and administration of this LERTA structure were introduced. Through Councilman Lavelle’s leadership, the legislation passed and became law with Mayor Peduto’s signature on February 26, 2015.

G. Ultimately, the Taxing Bodies, along with the URA and SEA entered into a Cooperation Agreement (the “Original Agreement”) dated December 7, 2015, to memorialize the rights, responsibilities, and obligations of each of them with respect to the implementation and enforcement of the provisions of the Lower Hill LERTA. This agreement was supplemented by the letter agreement dated November 21, 2019 (the “Letter Agreement”). The Original Agreement together with the Letter Agreement herein collectively referred to as the “Cooperation Agreement”.

H. Under the Cooperation Agreement, property owners receiving abatements of real estate taxes pursuant to the Lower Hill LERTA District<sup>1</sup> (the maximum abatement from the Taxing Bodies is \$250,000 on each parcel each year), are required, among other things, to make certain annual payments to the Reinvestment Fund, to be established in accordance with the CCIP, for a period of ten years post-development. The URA is to administer the Reinvestment Fund.

I. Capitalized terms used and not otherwise defined herein have the meaning given such terms in the CCIP.

## II. PURPOSES AND AUTHORITY OF THE REINVESTMENT FUND

A. Reinvestment Fund. The Reinvestment Fund shall consist of multiple segregated, restricted accounts, each administered by the URA, as more fully set forth below in Section IV below. The URA shall establish the Reinvestment Fund with the Trustee and the Trustee shall hold the Reinvestment Fund as agent for the URA in accordance with the Reinvestment Fund Agreement. As more fully set forth in Section IV below, monies in the Reinvestment Fund accounts may be expended only by action of the Board of Directors of the URA, after receipt and review of a report and recommendation of the Reinvestment Fund Advisory Board (the “Advisory Board”) or, in certain limited situations as expressly set forth in Section IV.C.2 below, the URA.

B. Address. The initial address of the Reinvestment Fund shall be c/o Urban Redevelopment Authority of Pittsburgh, 412 Boulevard of the Allies, Suite 901, Pittsburgh, Pennsylvania 15219.

It is important to note that the Greater Hill District Master Plan currently serves as the community's conceptual underpinning for development and has a focus on community-based ownership. The Reinvestment Fund shall have no other activity or purpose except as provided in this Section II.C, and as further explained in the Eligible Uses for Reinvestment Fund Proceeds attached hereto as **Exhibit D**, and shall not expend any funds or undertake any investment in any property outside the Greater Hill District.

D. Term. The Reinvestment Fund is to have no specific date of dissolution.

### III. ADVISORY BOARD

2. One non-voting member of the Advisory Board shall be appointed by the Mayor of the City of Pittsburgh, to serve a three-year term. Upon the expiration of such member's term, or upon the removal of such member pursuant to Section III.F below, the Mayor of the City of Pittsburgh shall name such member's replacement.

C. Powers. The Advisory Board shall receive and review all Applications (as defined in Section IV below) and issue Recommendation Reports (as defined below) to the Board of Directors of the URA regarding Applications that have been recommended by action of the Advisory Board pursuant to these policies and procedures. The Advisory Board may also take steps to identify, analyze, and facilitate potential Revenue Streams (as defined in the CCIP).

Members of the Advisory Board act only in an advisory capacity with regards to Applications, the Board of Directors of the URA shall have the sole authority to approve Applications. Provided, however, that except as set forth in Section IV.C.2 hereof, the Board of Directors of the URA cannot act without receiving a Recommendation Report (as defined in Section IV.C.1 hereof).

D. Meetings. The Advisory Board shall hold regular meetings at least quarterly, or more frequently when it deems expedient and appropriate, at a date, time, and place determined by the Chair of the Advisory Board and designated in a written or printed Notice of Meeting that shall be given to the members at least three business days prior thereto.

E. Actions. The presence of at least half of the voting Advisory Board members then in office shall constitute a quorum and the affirmative vote of a majority of the members of the Advisory Board present at a duly called meeting where a quorum is present shall be necessary for any action to be taken by the Advisory Board. Each member of the Advisory Board shall be entitled to one vote. No proxy voting shall be permitted. Any action required or permitted to be taken at a meeting may be taken without a meeting if 2/3rds of the members then serving consent in writing to such action and such written consents are filed with the records of the minutes of the meetings. Such consents shall be treated for all purposes as a vote at a meeting. Members of the Advisory Board may participate in a meeting of the Advisory Board by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time, and participation by such means shall constitute presence in person at a meeting.

F. Conflict of Interest. As more fully explained in the Policy Regarding Conflicts of Interest attached hereto as Exhibit "B", no member of the Advisory Board may obtain a financial interest or benefit from any monies awarded or distributed by the Reinvestment Fund, or have

an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for themselves, or those with whom they have family, organizational, or business ties, during their tenure or for one year thereafter. Each member of the Advisory Board shall, at the beginning of his/her term, execute an acknowledgement of the Reinvestment Fund's Policy Regarding Conflicts of Interest, in the form attached hereto as part of Exhibit "B". Nothing in the Conflict of Interest Policy shall prohibit a neighborhood-based organization for which an Advisory Board member serves as an officer, director, or employee from applying for and receiving monies awarded or distributed by the Reinvestment Fund, provided that the interested Advisory Board member discloses the relationship and does not participate in the funding decision.

G. Removal of a member of the Advisory Board. Any member of the Advisory Board may be removed by a vote of two-thirds (2/3) of the full Advisory Board membership should, in their judgment, the best interest of the Reinvestment Fund, be served thereby. Failure to attend at least one-half of the Advisory Board's meetings during a calendar year may be considered as a reason for removal. In addition, should the Advisory Board, by a vote of a super majority of the Advisory Board, determine that a member of the Advisory Board has violated the Reinvestment Fund's Policy Regarding Conflicts of Interest, such member's term on the Advisory Board shall immediately terminate.

H. Vacancies. Except as set forth in Section III.A.2, 3 and 4 above, a vacancy occurring on the Advisory Board shall be filled by a new member, nominated by the appropriate Hill institution who shall be elected by the remaining members of the Advisory Board and who shall serve for the unexpired term of the Advisory Board member who has left the vacancy.

I. Compensation. Members of the Advisory Board shall not be entitled to compensation for services rendered as such.

J. Committees. The Advisory Board may, in addition to any powers granted herein, establish committees of the Advisory Board and confer upon them such powers as it deems necessary for the conduct of Reinvestment Fund business.

The Advisory Board shall recommend an Application to the Board of Directors of the URA only upon issuing a report that includes: a finding that the Project furthers the purposes of the Reinvestment Fund, as set forth in Section II hereof, a finding that no Conflict of Interest exists with regards to the Project and the Applicant, an identification of the Account and the source of funds recommended for the Project, a finding that the Project is a permitted use for such funds, a description of the method of disbursement (for example: up-front or reimbursement) and planned timing of disbursement for any funds awarded, and a finding containing the tracking, monitoring, and reporting plans and requirements that will be required of the Applicant and the Advisory Board (a “Recommendation Report”)

2. Should the Advisory Board deny an application, or fail to issue a final determination on an Application, within sixty (60) days of the submission date of such Application, the Applicant may submit such Application to the URA, to be reviewed by staff as directed by the Executive Director or their designee. URA staff may, at its discretion, review the Application and, in its sole discretion, determine whether to issue a Recommendation Report to the Board of Directors of the URA.
