5(a) Middle Hill – 21 Rose

- i. Approval of final drawings, approval of final evidence of financing, and authorization to execute a deed for Block 10-P, Lots 186, 187, 188, 189, and 190 in the 5th Ward, to R Kyndall Development Group (dba "Rose Street Ventures").

Authorization Details

In July 2019, the URA released a Request for Qualifications (RFQ) seeking multiple developers to purchase and redevelop any portion of 170 publicly owned parcels along the Centre Avenue Corridor in the Middle Hill neighborhood. The goal of the RFQ was to select developers to work to implement uses and further concepts articulated by the community as described in the 2015 Centre Avenue Corridor Redevelopment and Design Plan and the 2011 Greater Hill District Master Plan. Central to the plans are the following priorities:

- Creating opportunities for minority and local developers;
- Revitalizing Centre Avenue as the neighborhood's primary retail, institutional, and cultural node as well as a strong residential neighborhood;
- Building upon the African American cultural legacy;
- Creating family-friendly housing without displacement;
- Fostering economic empowerment; and
- Producing comprehensive sustainability and quality design.

At its August 2021 meeting, the URA Board of Directors approved the redevelopment proposal and the execution of a disposition contract for the conveyance of Block 10-P, Lots 186, 187, 188, 189, and 190 in the 5th Ward (the "Property") to R Kyndall Development Group (dba "Rose Street Ventures, LP") for the new construction of six (6) for-sale townhomes along Rose Street in Pittsburgh's Middle Hill neighborhood (the "Project").

Following approval of the second disposition action, the developers worked closely with the URA on a For-Sale Development Program (FSDP) grant application to complete its capital stack. On April 7, 2022, the Housing Opportunity Fund (HOF) Advisory Board provided a recommendation for a \$260,000 FSDP grant, sourced with HOF 2019 funds, to be presented to the URA Board of Directors. This grant will require a Declaration and Agreement of Restrictive Covenants to be recorded at closing, ensuring that two (2) townhomes remain affordable at or below 80% of Area Median Income ("AMI") for 99 years.

URA Board authorization is now requested for the approval of final drawings, approval of final evidence of financing, and authorization to execute a deed in addition to the \$260,000 FSDP grant, sourced with HOF 2019.

Project Description

The Project involves the new construction of six (6) townhomes, two (2) of which will be affordable to homebuyers at or below 80% AMI. Four (4) townhomes will be sold at market rate. All six townhomes are to include three (3) bedrooms and three (3) bathrooms, and the units will be 1,390-1,460 square feet. Pittsburgh Housing Development Corporation (PHDC) is providing technical assistance to Rose Street Ventures and serves as the Project's nonprofit applicant, as required by the FSDP guidelines and requirements. Cipriani Studios serves as the Project's architect, and MedCo Commercial Group is the Project's general contractor and, along with R Kyndall Development Group, serves as a co-construction manager. The total development cost is \$2,819,578.

Rose Street Ventures, LP is a Pennsylvania Limited Partnership with a mailing address of 186 42nd St., Suite 40227, Pittsburgh, PA 15201. R Kyndall Development Group, LLC is the Managing General Partner and is a Pennsylvania Limited Liability Company with a mailing address of 186 42nd St., Suite 40227, Pittsburgh, PA 15201. R Kyndall Development Group, LLC is a certified PA Minority Business Enterprise (MBE). Steffan Johnson is the Founder and CEO.

6(a) Fairywood - Fairywood Industrial Site

- i. Authorization to execute a deed for the conveyance of Block 107-H, Lot 100, and Block 70-E, Lots 300 and 325, to RIDC Southwestern Pennsylvania Growth Fund, as straw party for Fairywood Industrial Park I, LLC and Fairywood Industrial Park II, LLC for consideration of \$1.00.

Authorization Details

Location: Fairywood Street, Pittsburgh, PA 15205

Neighborhood: Fairywood

Council District: 2

Description: Per Resolution 199, adopted June 17, 2021, and as amended on December 16, 2021, by Resolution 346, the Board authorized the URA to enter into a joint venture with the Regional Industrial Development Corporation of Southwestern Pennsylvania (RIDC) for the development of the Fairywood Industrial Site (the "Property"). The Property is comprised of the following parcels in the 2nd Ward of the City of Pittsburgh:

- Block 107-H, Lot 100, and
- Block 70-E, Lots 300 and 325

To advance the joint venture, the URA executed a Limited Liability Company Operating Agreement with RIDC, allowing Fairywood Industrial Park I, LLC and Fairywood Industrial Park II, LLC (the "Developers") to serve as the project's developers. The Developers will be jointly owned by the URA and RIDC.

Authorization is now requested to execute a deed with the RIDC Southwestern Growth Fund to transfer the Property, which will then be consolidated, re-subdivided, and transferred out to the Developers. URA is contributing the Property to the development and the Developers as a capital contribution in exchange for an ownership interest in the Developers.

Current plans call for this development to start construction on or about November 2022. Plans include site work and construction of a 150,000 square foot flex-use warehouse. Preparations will be made for the potential construction on the site of a second 150,000 square foot flex-use warehouse.

The URA has agreed to lead the development's MWBE Enterprise Plan preparation and submission.
