

How to Register in Ion Wave Technology Bidding Platform

Thank You for your interest. Please register your business on our bidding platform (IWT) Ion Wave Technology. Here you will be able to view and seek opportunities to bid with the URA. Follow the link <https://ura.ionwave.net/Login.aspx> Urban Redevelopment Authority of Pittsburgh (ionwave.net) and click on the blue box to the right that says Supplier registration.

*****Make Sure you add all commodities (Services) that your business offers so that once registered you will receive notifications on opportunities that reflect the services you provide or are seeking*****

Please email Ivy Coleman icoleman@ura.org for Technical Assistance

How to become a URA Approved Contractor

For those seeking to be placed on the URA Approved Contractor list, once you have registered as a supplier, you will search for the **URA Contractor Registration Packet**. The quickest way to find it is to type the title in the title box when the bids appear. **See below.** Once it populates select the magnifier to the left.
