4. Point Breeze North – Lexington Technology Park
- a. Authorization to enter into exclusive negotiations with TREK Development Group, Inc., or a related entity, for the sale of Block 175-A, Lot 111, in the 14th Ward for a period of six months.

Ms. Nemani-Stanger requested Board approval of the above item.

Maya Fewes, project manager, Development Services, presented that on February 24, 2024, the URA released a Request for Qualifications (RFQ) for the 4.52-acre site located at 7228-7930 McPherson Boulevard in Pittsburgh’s Breeze North neighborhood. The goal of the RFQ was to select a potential developer for the site, in alignment with community goals and objectives such as mixed-income housing density and transit-oriented development. TREK Development Group, Inc. (TREK) was one of five developers to respond to the RFQ.

A review committee comprised of URA technical experts, representatives from Homewood and Point Breeze North, the Department of City Planning, and District 9 Councilman Mosley reviewed each submission and recommended TREK to advance to Exclusive Negotiations with the URA.

TREK proposed a range of potential site plans that encompass the community’s desire for affordable and market rate housing that is accessible via public transportation. TREK presented these potential development plans at a public community meeting on July 9, 2025. The details ranged from 65 to 94 units with a mix of one-bedroom, two-bedroom, and three-bedroom units. TREK will continue their due diligence to advance a viable and financeable development plan to include in a development proposal. The Preliminary potential project costs could be in the range of \$30,000,000 to \$35,000,000.

TREK plans to use the Exclusive Negotiations period to study the site with the goal of determining which of the development plans will be most feasible and competitive for a Low-Income Housing Tax Credit (LIHTC) award and submission of a formal redevelopment proposal for the URA’s consideration. This period may be extended at the discretion of the URA Executive Director.

TREK Development Group, Inc. is a Pennsylvania-based corporation with a mailing address at 130 7th Street, Suite 300, Pittsburgh, PA 15222.

Upon a motion to approve by Mr. Williamson seconded by Mr. Lavelle and unanimously carried, the following resolution was adopted:

RESOLUTION NO. 111 (2025)

RESOLVED: That exclusive negotiations with TREK Development Group, Inc., or a related entity, for the sale of Block 175-A, Lot 111, in the 14th Ward, for a period of six months, with a potential extension at the discretion of the Executive Director, are hereby approved.

5. Manchester-Chateau – Esplanade

- a. Authorization to approve final drawings, final evidence of financing and authorization to execute a deed for the sale of Block 7-E, Lot 30 and Block 7-F, Lots 2, 10, 20 and 25, in the 21st Ward to Esplanade Partners, LP, or a related entity, for \$1,500,000 plus costs.

Ms. Nemani-Stanger requested Board approval of the above item.

Tom Link, Chief Development Officer presented that in December 2021, the URA Board approved Esplanade Partners, LP's proposal for the Esplanade project. Authorization is now requested for URA Board approval of final drawings and final evidence of financing for Phase A and authorization to execute a deed.

This action will enable the developer to take title to the URA properties and complete necessary infrastructure and site preparation work for Phase A, to allow for future vertical construction.

These activities may include, but are not limited to, site clearing and demolition; environmental remediation pursuant to an Act 2 clean-up plan approved by the Commonwealth of Pennsylvania's Department of Environmental Protection; erosion control and stormwater control facilities excavation and grading - including import of fill necessary to raise buildings above the flood plain; relocation of existing utility lines that bifurcate the site; and installation of new utility infrastructure. Additionally, bike and pedestrian trail relocation and improvement; removal of invasive vegetation and re-vegetation of the riverbank; and site preparation for other public site amenities such as landscaping, hardscaping, public gathering spaces, site lighting, security, and signage.

In addition to relocation and reconstruction of aging existing public utilities, the utility scope includes new underground electric, telecommunications, gas, water, and sanitary sewer utilities, building service lines, and installation of storm sewers and green stormwater infrastructure to remove flows from the Pittsburgh Water system. The infrastructure work will take up to two years to complete.

Once the Phase A infrastructure and site preparation work are complete, the developer will return to the URA Board with final drawings and final evidence of financing prior to each vertical construction phase.

6. Presentation of Draft Guidelines for Three Greater Hill District Neighborhood Reinvestment Fund Programs (Non-voting Item)

The Greater Hill District Neighborhood Reinvestment Fund (GHDNRF) is a community-driven fund that utilizes diverted future tax revenues from the development activities on the Lower Hill Development site to provide funding for investments in development projects and community needs throughout the entire Greater Hill District. On August 27, 2025, the GHDNRF Advisory Board voted to advance program guidelines for the following three activities.

Children, Youth and Education (CY&E): \$240,000 Budgeted

The objective of the CY&E Program is to support and increase the capacity of community-based organizations that serve children and youth living in the Greater Hill District through educational activities and experiences related to: STEM (Science, Technology, Engineering, and Mathematics), the arts (dance, music, visual arts etc.), athletics, cultural awareness, and the improvement of educational outcomes. The program will award grants of up to \$25,000.

Development Program: \$930,000 Budgeted

The objective of the Development Program is to support programming, projects, and activities that further the improvement of land and structures within the Greater Hill District. The program aims to provide grant support for new construction and rehabilitation of commercial, mixed-use and housing development and is intended to provide a form of “last-in” grant support. The program will award grants of up to \$250,000.

Workforce Development: \$120,000 Budgeted

The objective of the Workforce Development Program is to support programming, projects and activities that further the efforts of Greater Hill District residents to access economic opportunity. The program aims to provide grant support for initiatives that prepare individuals for sustainable employment through training, education, and job creation efforts. The program will award grants of up to \$30,000.

The three draft guidelines will be available online for review and public comment until Monday, October 6, 2025.

After the public comment period concludes, URA staff intend to seek authorization to approve the guidelines and allocation amounts at the October 2025 URA Board meeting and open related applications.

7. Central Business District – Pittsburgh Downtown Conversion Program and Rental Gap Program – 120 Cecil Way
 - a. Authorization to enter into a Pittsburgh Downtown Conversion Program Loan Agreement with BC Cecil LLC, or a related entity, in an amount of up to \$3,000,000 for the rehabilitation of 120 Cecil Place, in the Central Business District, 2nd Ward.
 - b. Authorization to enter into a Rental Gap Program Loan Agreement with BC Cecil LLC, or a related entity, in an amount of up to \$2,000,000 for the rehabilitation of 120 Cecil Place, in the Central Business District, 2nd Ward.
 - c. Final authorization to issue Multifamily Financing Bonds for the 120 Cecil Way project in an amount of up to \$39,000,000.

Ms. Nemani-Stanger requested Board approval of the above items.

Brook Gwin, Housing Lending Analyst, Residential and Consumer Lending presented that authorization is requested to enter into a \$3,000,000 Pittsburgh Downtown Conversion Program (PDCP) loan and a \$2,000,000 Rental Gap Program loan with BC Cecil LLC, an affiliate of Beacon Communities, for the rehabilitation of 120 Cecil place, known as the “120 Cecil Way” project. The URA intends to issue multifamily housing revenue bonds in an amount of up to \$39,000,000 for the 120 Cecil Way project.

120 Cecil Way is an adaptive reuse and historic preservation of an early 1900s steam plant in Downtown Pittsburgh to be converted into 97 new units of affordable housing.

The units will include a mix of seven studios, 12 one-bedroom, 47 two-bedroom, and 31 three-bedroom units. All apartments will be affordable to households between 20% of Area Median Income (AMI) and 80% of AMI. Twelve of the units will be audio-visual accessible, 11 of which will be fully accessible. Accessible units will be spread across all unit sizes. Project Based

Vouchers will support 49 of the units. Beacon will be partnering with Pittsburgh Scholar House to connect their program participants with units at 120 Cecil Way. Pittsburgh Scholar house will also occupy office space in the building.

The multifamily bond financing issuance is contingent on the developer finalizing the Pennsylvania Housing Finance Agency's 4% LIHTC application, and successful completion of the closing process. This declaration of intent is the final board action required by federal regulations, as the URA is authorized to issue revenue bonds for the purpose of construction and/or rehabilitating multi-family housing facilities. Bond issuance proceeds will be used to fund the construction costs associated with this development, will be secured by the property, and will be nonrecourse to the URA. The initial board action was approved at the July 2025 URA Board meeting. The costs of the bond counsel will be paid with bond issuance proceeds, or if this project does not close, by BC Cecil LLC.

Financial closing and the start of construction is expected by the end of 2025. Construction is anticipated to be completed in summer 2028.

RESOLUTION NO. 114 (2025)

RESOLVED: That a loan with BC Cecil LLC, or a related entity, for the rehabilitation of 120 Cecil Place, in the Central Business District, 2nd Ward of the City of Pittsburgh, in an amount not to exceed \$2,000,000, payable from the Rental Gap Program, is hereby approved, and the Executive Director, Chief Operating Officer, Chief Development Officer, Chief Housing Officer, and/or Chief Financial Officer, on behalf of the Authority, is hereby authorized to execute a loan agreement and related documents therefor, and the Secretary or Assistant Secretary is authorized to attest the same and affix the seal of the Authority thereto.

RESOLUTION NO. 115 OF 2025

September 11, 2025

WHEREAS, the Urban Redevelopment Authority of Pittsburgh (the “**Authority**”) is a body corporate and politic constituting a public instrumentality of the Commonwealth of Pennsylvania (the “**Commonwealth**”), created under and pursuant to the Pennsylvania Redevelopment Law, as amended, 35 P.S. §1701, *et seq.* (the “**Act**”); and

WHEREAS, the Authority is authorized pursuant to the Act to, among other things, develop, acquire, lease and operate low-rent housing and to issue bonds in connection therewith; and

WHEREAS, the Authority has determined to acquire, design, construct and rehabilitate all or a portion of the property located at 120 Cecil Place (“**120 Cecil Place**”) located in the City of Pittsburgh (the “**City**”), Pennsylvania, which, upon completion, will consist of approximately 97 residential, affordable housing rental units; and

WHEREAS, in order to undertake the acquisition, design, construction and rehabilitation of 120 Cecil Place, the Authority desires to issue one or more series or subseries of its federally taxable or tax-exempt revenue bonds or notes in an aggregate principal amount not to exceed \$39,000,000 which bonds or notes shall be designated as the “Urban Redevelopment Authority of Pittsburgh Revenue Bonds (120 Cecil Way Project), Series 2025” or similar appropriate designation (the “**Bonds**”) in order to finance

a project (the “**Project**”) consisting of: (a) the acquisition, design, rehabilitation and construction of approximately 97 affordable rental units, all located in the City of Pittsburgh, Pennsylvania (the “**120 Cecil Way Project**”); (b) the payment of a portion of the costs associated with the issuance of the Bonds; and (c) the payment of any other eligible costs for which proceeds of the Bonds may be expended, including but not limited to reimbursing the Borrower for costs incurred for the 120 Cecil Way Project prior to the issuance of the Bonds; and

WHEREAS, 120 Cecil Place shall be owned by BC Cecil LLC, a Pennsylvania limited liability company (the “**Borrower**”), whose members will include parties named in each Borrower’s partnership agreement, including those who will serve as 120 Cecil Way Project’s low-income housing tax credit investors; and

WHEREAS, in order to facilitate the Project, the Authority has determined to issue the Bonds pursuant to one or more bond financing or similar agreements (the “**Bond Financing Agreement**”) among the Authority, the Borrower, JPMorgan Chase Bank, N.A. (or an affiliate thereof), as sole purchaser of the Bonds (the “**Bank**”) and any other party thereto, and, pursuant to the Bond Financing Agreement, will loan the net proceeds of the Bonds to the Borrower to pay all or a portion of the costs of the Project; and

WHEREAS, the Bond proceeds will be used, *inter alia*, to make a loan to the Borrower to permit it to undertake the 120 Cecil Way Project and to pay certain other costs associated therewith and the financing thereof, as further set forth in the Bond Financing Agreement, including (a) the payment or reimbursement of the costs of the acquisition, design, construction and rehabilitation of 120 Cecil Place; (b) the funding of any capitalized interest on the Bonds, if necessary; and (c) the payment of a portion of the costs associated with the issuance of the Bonds, as applicable; and

WHEREAS, the 120 Cecil Way Project will constitute a qualified residential rental project pursuant to the requirements of the Internal Revenue Code of 1986, as amended (the “**Code**”); and

WHEREAS, the Authority, as the issuer of the Bonds, must comply with certain provisions of the Code, which require the Authority to conduct a public hearing (pursuant to the requirements of the Tax Equity and Fiscal Responsibility Act (TEFRA) of 1982) regarding the Project and publish adequate notice thereof in accordance with the provisions of section 147 of the Code; and

WHEREAS, said the Authority will conduct a public hearing required under section 147(f) of the Code regarding the Project; and

WHEREAS, the Authority has appointed Steptoe & Johnson PLLC to act as bond counsel (“**Bond Counsel**”) with respect to the issuance of the Bonds; and

WHEREAS, the Authority now desires to authorize and approve the Project, the issuance, execution and delivery of the Bonds in connection therewith, and the execution and delivery of the Bond Financing Agreement and such other instruments and documents as shall be necessary or appropriate to effectuate the purposes of this Resolution.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority (the “**Board**”) as follows:

Approval of Development and the Issuance of the Bonds

The Authority hereby authorizes and approves the undertaking of the Project and the issuance of the Bonds to finance all or a portion of the costs of the Project. The Bonds shall be designated “Urban Redevelopment Authority of Pittsburgh Multifamily Housing Revenue Bonds (120 Cecil Way Project), Series 2025”, or some similar appropriate designation, and shall be issued in one or more series and secured pursuant to the Bond Financing Agreement in an aggregate principal amount not to exceed \$39,000,000. The Bonds shall bear interest at variable or fixed rates of interest and shall contain such

other terms and conditions and provisions as Bond Counsel and counsel to the Authority and any Authorized Officer of the Authority executing such Bonds shall approve, such approval to be conclusively evidenced by such officer's execution thereof.

Sale of the Bonds; Approval of the Bond Financing Agreement

The Authority hereby authorizes and approves the sale of the Bonds pursuant to the terms of the Bond Financing Agreement. The Bonds shall be sold at such rates and on such terms and conditions as are set forth in the Bond Financing Agreement relating to the Bonds.

The Authority hereby authorizes and approves the execution and delivery of the Bond Financing Agreement, containing such terms and provisions as Bond Counsel and counsel to the Authority and any Authorized Officer of the Authority executing the Bond Financing Agreement shall approve, such approval to be conclusively evidenced by such officer's execution thereof.

Direction to Authorized Officers

For purposes of this Resolution, the Chair, Vice Chair, Executive Director, Chief Financial Officer, Chief Housing Officer, the Chief Operating Officer of the Authority or other proper officers of the Authority shall be deemed to be an "Authorized Officer".

The Board hereby authorizes and directs the Authorized Officer to negotiate, execute and deliver the Bonds, the Bond Financing Agreement and, subject to the approval thereof by counsel to the Authority, to negotiate, execute and deliver any other document, agreement, instrument or certificate required to be executed by the Authority in connection with the issuance of the Bonds, and such execution and delivery shall be conclusive evidence of the approval thereof by the Board.

The Board hereby authorizes and directs the Secretary or Assistant Secretary of the Authority to affix and attest the seal of the Authority to any document as required, and to attest the signature of any Authorized Officer where required.

Further Action

The Authorized Officer is hereby authorized and directed to take such actions and execute such other documents, certificates or filings as may be necessary or appropriate to effectuate the matters contemplated hereby, to implement and complete the Project, to issue and sell the Bonds, or to otherwise effectuate the purposes of this Resolution.

Prior Actions

All actions heretofore taken and all documents and instruments heretofore executed by the Authorized Officer or his designee on behalf of the Authority in connection with the Project and the Bonds are hereby ratified and approved.

Limitation of Liability of Authority and Officials of the Authority

Notwithstanding anything to the contrary contained herein or in any other document executed in connection with the issuance and sale of the Bonds (collectively, the "**Bond Documents**"), the Bonds shall be limited obligations of the Authority payable solely out of revenues derived from the Bond Financing Agreement, any amounts, including proceeds of the sale of the Bonds, and from any other collateral as may now or hereafter be given to secure the payment of Bonds; no other property or assets of the Authority shall be subject to levy, execution or other enforcement proceedings for any payment required to be made with respect to the Bonds or under the Bond Documents or for the performance of any of the Authority's covenants, obligations or agreements contained in any Bond Documents. No covenant, obligation or agreement contained in this Resolution or any Bond Documents shall be deemed to be a covenant, obligation or agreement of any board member, officer, attorney, agent or employee of the Authority in his or her individual capacity and neither the board members of the Authority nor any

officer executing the Bonds or any Bond Documents shall be liable personally on the Bonds or such Bond Documents or be subject to any personal liability by reason of the issuance, execution and/or performance thereof.

Effective Date of Resolution. This Resolution shall take effect immediately.

8. Central Business District – UDAG Program Income Fund – 933 Penn Avenue

- a. Authorization to enter into an Urban Development Action Grant Program (UDAG) Loan Agreement with iPenn Ventures, L.P., or a related entity, in an amount of up to \$1,600,000 for the rehabilitation of 933 Penn Avenue, in the Central Business District, 2nd Ward.

Ms. Nemani-Stanger requested Board approval of the above item.

Brooke Gwin presented that authorization is requested to enter into a \$1,600,000 Urban Development Action Grant Program (UDAG) loan with iPenn Ventures, L.P., for the adaptive reuse of the commercial building at 933 Penn Avenue in Pittsburgh's Central Business District. Governor Shapiro's Downtown Pittsburgh Revitalization Plan highlights the rehabilitation of 933 Penn Avenue.

The proposed project involves complete rehabilitation of the building's interior and exterior into 70 new residential units and 5,500 square feet of new ground floor retail space. Exterior updates include façade improvements and new energy efficient window assemblies. Interior renovations include a new HVAC system; and the electrical, plumbing, and fire systems will be updated for the building's new use. Amenities include a fitness room, indoor bike storage, and a media room. The unit mix includes seven studios, 28 one-bedroom, 28 two-bedroom, and seven three-bedroom apartments. Three units will be wheelchair accessible. To meet the eligibility requirements for the Downtown Local Economic Revitalization Tax Assistance (LERTA) Program, seven of the units will be affordable to households at or below 50% of AMI.

The borrower, iPenn Ventures, is an affiliate of Rugby Realty, the principals of which have invested in Downtown Pittsburgh for over 35 years. They have owned 933 Penn since 2000, and the redevelopment of this site is an example of Rugby Realty's continued investment in Pittsburgh's Central Business District. Rugby Realty's Downtown portfolio includes the Frick Building, the Koppers Building, and several properties along Liberty and Penn Avenues.

The total development cost for the project is \$37,276,250. Construction is expected to start in October 2025 and last for an estimated 16 months.

Upon a motion to approve by Mr. Lavelle seconded by Mr. Williamson and unanimously carried, the following resolution was adopted:

RESOLUTION NO.116 (2025)

RESOLVED: That a loan with iPenn Ventures, L.P., or a related entity, for the rehabilitation of 933 Penn Avenue, in the Central Business District, 2nd Ward of the City of Pittsburgh, in an amount not to exceed \$1,600,000, payable from the Urban Development Action Grant Program (UDAG) fund, is hereby approved, and the Executive Director, Chief Operating Officer, Chief Development Officer, Chief Housing Officer, and/or Chief Financial Officer, on behalf of the Authority, is hereby authorized to execute a loan agreement and related documents therefor, and the Secretary or Assistant Secretary is authorized to attest the same and affix the seal of the Authority thereto.

9. Central Business District – Pittsburgh Downtown Conversion Program and Rental Gap Program – 901-903 Liberty Avenue

- a. Authorization to enter into a Rental Gap Program Loan Agreement with BC Liberty Avenue, LLC, or a related entity, in an amount of up to \$2,000,000 for the rehabilitation of 901 and 903 Liberty Avenue, in the Central Business District, 2nd Ward.
- b. Authorization to enter into a Pittsburgh Downtown Conversion Program Loan Agreement with BC Liberty Avenue, LLC, or a related entity, in an amount of up to \$3,000,000 for the rehabilitation of 901-903 Liberty Avenue, in the Central Business District, 2nd Ward.

- c. Final authorization to approve issuance of Multifamily Financing Bonds for the 901-903 Liberty Ave development in an amount of up to \$21,000,000.

Ms. Nemani-Stanger requested Board approval of the above items

Niklas Persson, Lending Analyst II, Residential and Consumer Lending presented that authorization is requested to enter into a \$2,000,000 Rental Gap Program loan and \$3,000,000 Pittsburgh Downtown Conversion Program loan with BC Liberty Avenue, LLC for the office to residential conversion and rehabilitation of 901-903 Liberty Avenue, known as the “The Apartments at 9th and Liberty” project. The URA also intends to issue multifamily housing revenue bonds in an amount of up to \$21,000,000 for the project.

The developer, Beacon Communities Services LLC (Beacon), identified the two vacant office buildings in Downtown Pittsburgh to convert and rehabilitate into 50 units of affordable rental housing. The two adjacent buildings are both eight stories. The current owners and Beacon have agreed to enter into a purchase and sales agreement for the acquisition of both properties for a total of \$2,175,000.

In addition to 4% LIHTC equity, the development is utilizing federal historic tax credit equity, which will ensure the long-term preservation of the property’s exterior and interior historic significance through the preservation of historic materials and features. Both structures are on the National Register of Historic Places, within the Penn-Liberty Historic District.

The development team aims to have a financial closing by December 2025, with construction beginning immediately after. The construction phase is expected to last for 18 months, wrapping up in June 2027.

RESOLUTION NO. 119 (2025)

September 11, 2025

WHEREAS, the Urban Redevelopment Authority of Pittsburgh (the “**Authority**”) is a body corporate and politic constituting a public instrumentality of the Commonwealth of Pennsylvania (the “**Commonwealth**”), created under and pursuant to the Pennsylvania Redevelopment Law, as amended, 35 P.S. §1701, *et seq.* (the “**Act**”); and

WHEREAS, the Authority is authorized pursuant to the Act to, among other things, develop, acquire, lease and operate low-rent housing and to issue bonds in connection therewith; and

WHEREAS, the Authority has determined to acquire and rehabilitate all or a portion of the property located at 901-903 Liberty Avenue ("**901-903 Liberty**") located in the City of Pittsburgh (the "**City**"), Pennsylvania, which upon completion will consist of approximately 50 residential rental units comprised of a 100% affordable units to households with incomes at or below 50% of the area median income; and

WHEREAS, in order to undertake the rehabilitation of 901-903 Liberty, the Authority desires to issue one or more series or subseries of its federally taxable or tax-exempt revenue bonds or notes in an aggregate principal amount not to exceed \$21,000,000 which bonds or notes shall be designated as the "Urban Redevelopment Authority of Pittsburgh Revenue Bonds (901-903 Liberty Project), Series 2025" or similar appropriate designation (the "**Bonds**") in order to finance a project (the "**Project**") consisting of: (a) the rehabilitation of approximately 50 affordable rental units, all located in the City of Pittsburgh, Pennsylvania ("**901-903 Liberty Project**"); (b) the payment of a portion of the costs associated with the issuance of the Bonds; and (c) the payment of any other eligible costs for which proceeds of the Bonds may be expended, including but not limited to reimbursing the Borrower for costs incurred for the Project prior to the issuance of the Bonds; and

WHEREAS, the 901-903 Liberty Avenue will be owned by BC Liberty Avenue, LLC, a Pennsylvania limited liability company (the "**Borrower**"), whose members will include parties named in each Borrower's partnership agreement, including those who will serve as the Project's low-income housing tax credit investors; and

WHEREAS, in order to facilitate the Project, the Authority has determined to issue the Bonds pursuant to one or more bond financing or similar agreements (the "**Bond Financing Agreement**") among the Authority, the Borrower, JPMorgan Chase Bank, N.A. (or an affiliate thereof), as sole purchaser of the Bonds (the "**Bank**") and any other party thereto, and, pursuant to the Bond Financing Agreement, will loan the net proceeds of the Bonds to the Borrower to pay all or a portion of the costs of the Project; and

WHEREAS, the Bond proceeds will be used to make a loan to the Borrower to permit it to undertake the Project and pay certain other costs associated with the Project and the financing thereof as further set forth in the Bond Financing Agreement, including (a) the payment or reimbursement of the costs of the acquisition and rehabilitation of the Project; (b) the funding of any capitalized interest on the Bonds, if necessary; and (c) the payment of a portion of the costs associated with the issuance of the Bonds, as applicable; and

WHEREAS, the Project will constitute a qualified residential rental project pursuant to the requirements of the Internal Revenue Code of 1986, as amended (the "**Code**"); and

WHEREAS, the Authority, as the issuer of the Bonds, must comply with certain provisions of the Code, which require the Authority to conduct a public hearing (pursuant to the requirements of the Tax Equity and Fiscal Responsibility Act (TEFRA) of 1982) regarding the Project and publish adequate notice thereof in accordance with the provisions of section 147 of the Code; and

WHEREAS, said the Authority will conduct a public hearing required under section 147(f) of the Code regarding the Project; and

WHEREAS, the Authority has appointed Stevens & Lee, P.C. to act as bond counsel ("**Bond Counsel**") with respect to the issuance of the Bonds; and

WHEREAS, the Authority now desires to authorize and approve the Project, the issuance, execution and delivery of the Bonds in connection therewith, and the execution and delivery of the Bond Financing Agreement and such other instruments and documents as shall be necessary or appropriate to effectuate the purposes of this Resolution.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Authority (the “**Board**”) as follows:

Approval of Development and the Issuance of the Bonds.

The Authority hereby authorizes and approves the undertaking of the Project and the issuance of the Bonds to finance all or a portion of the costs of the Project. The Bonds shall be designated “Urban Redevelopment Authority of Pittsburgh Multifamily Housing Revenue Bonds (901-903 Liberty Project), Series 2025”, or some similar appropriate designation, and shall be issued in one or more series and secured pursuant to the Bond Financing Agreement in an aggregate principal amount not to exceed \$21,000,000. The Bonds shall bear interest at variable or fixed rates of interest and shall contain such other terms and conditions and provisions as Bond Counsel and counsel to the Authority and any Authorized Officer of the Authority executing such Bonds shall approve, such approval to be conclusively evidenced by such officer’s execution thereof.

Sale of the Bonds; Approval of the Bond Financing Agreement.

The Authority hereby authorizes and approves the sale of the Bonds pursuant to the terms of the Bond Financing Agreement. The Bonds shall be sold at such rates and on such terms and conditions as are set forth in the Bond Financing Agreement relating to the Bonds.

The Authority hereby authorizes and approves the execution and delivery of the Bond Financing Agreement, containing such terms and provisions as Bond Counsel and counsel to the Authority and any Authorized Officer of the Authority executing the Bond Financing Agreement shall approve, such approval to be conclusively evidenced by such officer’s execution thereof.

Direction to Authorized Officers.

For purposes of this Resolution, the Chair, Vice Chair, Executive Director, Chief Financial Officer, Chief Housing Officer, the Chief Operating Officer of the Authority or other proper officers of the Authority shall be deemed to be an “Authorized Officer”.

The Board hereby authorizes and directs the Authorized Officer to negotiate, execute and deliver the Bonds, the Bond Financing Agreement and, subject to the approval thereof by counsel to the Authority, to negotiate, execute and deliver any other document, agreement, instrument or certificate required to be executed by the Authority in connection with the issuance of the Bonds, and such execution and delivery shall be conclusive evidence of the approval thereof by the Board.

The Board hereby authorizes and directs the Secretary or Assistant Secretary of the Authority to affix and attest the seal of the Authority to any document as required, and to attest the signature of any Authorized Officer where required.

Further Action.

The Authorized Officer is hereby authorized and directed to take such actions and execute such other documents, certificates or filings as may be necessary or appropriate to effectuate the matters contemplated hereby, to implement and complete the Project, to issue and sell the Bonds, or to otherwise effectuate the purposes of this Resolution.

Prior Actions.

All actions heretofore taken and all documents and instruments heretofore executed by the Authorized Officer or his designee on behalf of the Authority in connection with the Project and the Bonds are hereby ratified and approved.

Limitation of Liability of Authority and Officials of the Authority.

Notwithstanding anything to the contrary contained herein or in any other document executed in connection with the issuance and sale of the Bonds (collectively, the “**Bond Documents**”), the Bonds shall be limited obligations of the Authority payable solely out of revenues derived from the Bond Financing Agreement, any amounts, including proceeds of the sale of the Bonds, and from any other collateral as may now or hereafter be given to secure the payment of Bonds; no other property or assets of the Authority shall be subject to levy, execution or other enforcement proceedings for any payment required to be made with respect to the Bonds or under the Bond Documents or for the performance of any of the Authority’s covenants, obligations or agreements contained in any Bond Documents. No covenant, obligation or agreement contained in this Resolution or any Bond Documents shall be deemed to be a covenant, obligation or agreement of any board member, officer, attorney, agent or employee of the Authority in his or her individual capacity and neither the board members of the Authority nor any officer executing the Bonds or any Bond Documents shall be liable personally on the Bonds or such Bond Documents or be subject to any personal liability by reason of the issuance, execution and/or performance thereof.

Effective Date of Resolution. This Resolution shall take effect immediately.

Dear URA Board Members,

On behalf of the National Museum of Broadcasting (NMB), I write to express our strong support for ICON Development's proposal to acquire the Lexington Technology Park parcel adjacent to Rockwell Park, and to respectfully request that the URA pause its decision scheduled for Thursday, September 11th to allow for additional input regarding the site's extraordinary civic and cultural potential.

This parcel is the final piece needed to complete Rockwell Park—a mixed-use innovation district that repositions Pittsburgh's industrial legacy for the 21st century. ICON's adaptive reuse of the former Rockwell International R&D Center has already transformed 24 acres and 810,000 square feet into a vibrant ecosystem of startups, artists, nonprofits, and Fortune 500 companies. The Lexington parcel is essential to sustaining this momentum and unlocking new opportunities for education, tourism, and community engagement.

For NMB, this site is uniquely suited to host the museum's foundational phase. It includes two houses that will be renovated to display our collection of early broadcasting artifacts and serve as a media training center for local students. Adjacent to these houses is a greenspace where we will reconstruct Frank Conrad's historic garage. It was in that garage, in 1920, that Conrad pioneered radio broadcasting—an achievement that helped launch Pittsburgh's legacy as a

global center of technological innovation. Carefully preserved for almost 25 years, the garage will be restored to its original condition, allowing visitors to experience the dawn of electronic media in its authentic setting.

The parcel also contains critical parking infrastructure that supports Rockwell Park, the museum and Pittsburgh Police, ensuring accessibility for visitors, educators and neighborhood residents. ICON's plan to rebuild and reorganize the parking field—with improved tree canopy, stormwater management, and screening—preserves the site's employment legacy while enhancing its environmental and community value.

Importantly, the proposal also maintains and enhances existing community assets, including the Penn State Master Gardener Edible Teaching Garden and the informal dog park. These features reflect a thoughtful balance between innovation, preservation, and public benefit.

The museum's presence will complement nearby cultural institutions such as the Frick Pittsburgh Museums and Gardens and Westinghouse Park, creating a powerful East End corridor of history, education, and innovation. Together, these sites will expand Pittsburgh's appeal as a destination for learning and tourism.

ICON's vision for Rockwell Park has earned strong support from local residents and community organizations, who recognize the value of preserving the site's character while fostering inclusive economic growth. The National Museum of Broadcasting has also received enthusiastic backing from elected officials who understand the museum's potential to honor Pittsburgh's legacy and inspire future generations.

We recognize and respect the URA's commitment to affordable housing. ICON's approach preserves future housing potential along Homewood Avenue, with space for a 35–45 unit transit-oriented development. This flexibility allows the site to serve multiple public goals over time.

We urge the URA to consider the broader civic, cultural, and economic value of this proposal and to allow time for additional voices to be heard. The partnership between ICON and NMB represents a once-in-a-generation opportunity to celebrate Pittsburgh's legacy while building its future.

Thank you for your thoughtful consideration.

Sincerely,

Rick Harris

As a board member of the National Museum of Broadcasting (NMB) I respectfully urge you to pause the vote you are taking today regarding an authorization of an exclusive agreement to TREK Development for Blk. 175A and Lot 111, and seriously consider new information on the

NMB and why the museum is best suited for that site. NMB has submitted a support letter and other descriptive documentation to you on our board's behalf that speaks well to that. Also, as a longtime, former executive director of Uptown Partners (retired in 2020), I am acutely aware of the implications of granting exclusive agreements to developers. Note that I am a fierce advocate of affordable housing, testifying before the URA board to support Nate Boe's worthy City Edge project and voting in favor of Derrick Tillman's mixed-use development vision in Uptown. Each project has been granted numerous agreement extensions and, as you know they've been many years in the making. There are numerous potential challenges to dropping multi-unit housing onto this site. It could require a zoning change or a variance from its current single dwelling, detached, low-density status, which would necessitate lengthy discussion with the community and its buy-in. Can the proposed site accommodate the number of units envisioned? And how will the significant loss of current parking at the site impact Jason Lardo's diverse and successful Rockwell venture? I understand that those are the issues that TREK will explore over the length of a negotiation agreement, if granted, and which can be extended. The URA, however, has the opportunity to step back, listen to an exciting alternative to one-off housing development at that site-- one that meshes perfectly with the Rockwell Park mission and the historical, cultural and innovational attributes of the surrounding neighborhood. An agreement of any length, granted today, will be an unfortunate, critical blow to our museum's future. The NMB has, after a long search for appropriate properties and due diligence on others, finally landed on what we and others, including elected officials, deem the ideal location to grow our unique broadcasting museum--a tribute to Pittsburgh and the region.

Dear Ms. Fewes,

We are writing regarding the Urban Redevelopment Authority of Pittsburgh's (the "URA") proposed sale and redevelopment of the site identified as 7228-7930 McPherson Boulevard - Lexington Technology Park (the "Site") and to express our opposition to the proposed plans presented to the URA and public by Pennrose, Trek Development Group and Tareen Development Partners (the "Proposed Plans") during the URA RFQ Community Meeting held on July 9, 2025. My wife and I (together with our five children) reside at 7217 Thomas Boulevard. The rear of our property abuts the Site. We have lived at 7217 Thomas Boulevard for over 10 years. Shortly after moving in, we began enjoying the Site, with its mature trees and vast greenspace, as an extended backyard and parklike setting for our kids and dog to run, play and ride their bikes with other kids in the neighborhood. In fact, we started to affectionately refer to the Site as the "Secret Meadow" and it has been known as such ever since. In recent years, many neighbors within North Point Breeze have also started using the Site as a park to play, to let their dogs run or to ride bikes (and they too now refer to it as the "Meadow"). On a daily basis, any number of neighbors can be found congregating together while their dogs and/or kids

run and play at the Site. In fact, we have come to know and befriend many of our neighbors in North Point Breeze through our and their use of the Site as the unofficial North Point Breeze dog park. In quite an organic and beautiful way, the Site has become an invaluable place for community connection and friendship and another part of what makes North Point Breeze so special. Sadly, the Proposed Plans stand to substantially diminish, if not eliminate altogether, the value of the Site currently being enjoyed by the community in that the Proposed Plans will replace both the "Meadow" and the parking lot that serves the Rockwell Park commercial building directly to the east of the Site (the "Commercial Building") with several banks of townhomes or other mid to large scale apartment buildings. However, not only will the Proposed Plans degrade the current value of the Site being enjoyed by the community, they will also exacerbate existing parking and traffic problems in the neighborhood. As I noted during my comments at the July 9th meeting, we already have a material parking problem on our block of Thomas Boulevard. We (and other neighbors) are regularly forced to employ the "Pittsburgh Chair" to ensure we are not left without a parking space. It is my understanding that the Commercial Building is nowhere near capacity with respect to its tenants. The Proposed Plans elimination of the parking lot for the Commercial Building, the increased capacity of the Commercial Building and the erection of an additional 60- 120 residential units in place of the parking lot is a recipe for a parking disaster. We also currently have substantial traffic on our block of Thomas Boulevard and North Homewood Avenue, with many cars using Thomas Boulevard as a way around the traffic on Penn A venue. That traffic has ticked up over the last couple years with the advent of the Rockwell Park development. Traffic only stands to increase as Rockwell Park continues its expansion. However, the added traffic from an additional 60-120 residential units on the Site will dramatically increase the amount of traffic through our last block, creating a nuisance to the neighborhood and posing a danger to our children who play here. Thankfully, the URA has another option that can avoid all of the pitfalls associated with the Proposed Plans and preserve what has become a special community asset over the last several years. The original purpose and use of the Site has been to serve as a parking lot for the Commercial Building. It has done so for over 100 years. The original purpose of the "Meadow" has been to serve as a quiet parklike setting for the employees working at the Commercial Building. It has done so for over 100 years. And while the Commercial Building's ownership and tenants have changed over the years, the Commercial Building is still there, the tenants are still there and the employees are still there. Therefore, the most logical use of the Site is for it to continue to serve the Commercial Building and the broader community consistent with its original purpose - as a parking lot and park. This is the desire of the abutting property owners - all of whom have signed this letter - and a number of other individuals that I have personally spoke with who reside and work within North Point Breeze. I will also note that many of my neighbors with whom I have discussed the Site were wholly unaware of the URA's intent to redevelop the Site and the Proposed Plans. I was not surprised to learn this given it is my understanding that the URA only held one meeting regarding the redevelopment of the Site (a Zoom meeting) of which I was made aware only days before the meeting. As such, I do not believe the URA has provided the neighborhood with adequate notice and a proper amount of time and opportunity to express its input, interests and desires for the Site or to help organize a wholistic plan for the redevelopment of the Site that takes into account what is already happening within the neighborhood. Therefore, we kindly request that the URA pause its current

process for the sale and redevelopment of the Site and abandon any further consideration of selling and redeveloping the Site to include anything close to the Proposed Plans. Instead, we ask that the URA revise its RFQ consistent with the original purpose and current use of the Site and to limit the redevelopment of the Site to include an improved park and parking lot, with the potential for limited housing along North Homewood Avenue. At a minimum, we kindly request the URA pause the current process and allow for additional time and opportunity for the neighborhood to provide the URA with its input, interests and desires for the redevelopment of the Site. By responding consistent with this request, the URA will demonstrate its willingness to listen and respond to the voices and desires of the abutting property owners (who stand to be most impacted by the redevelopment of the Site) and those of the broader community who live and work in the neighborhood.

Comment:

Dear Chairman Chintalapalli,

We, the board members of Manchester Neighbors, are writing to protest the approval of final drawings, final evidence of financing, and authorization to execute a deed for the sale of Block 7-E, Lot 30, and Block 7-F, Lots 2, 10, 20, and 25 in the 21st Ward to Esplanade Partners, LP, or a related entity for \$1,500,000 plus costs. Last week, we released a report, “The Ground Beneath Our Feet’: An Assessment of Environmental Hazards and Historical Assets at the Proposed Esplanade Site In the Manchester-Chateau Neighborhood, Pittsburgh, Pennsylvania.” The report found that the site is polluted with **58 hazardous compounds**, many of which are **carcinogenic and toxic**, including arsenic, lead, cobalt, mercury, thallium, and vanadium. In addition, three industrial buildings—the Rosenbaum Company Warehouse, Whitaker Paper Company, and Donahoe Building (built between 1920 and 1926)—may qualify for the **National Register of Historic Places**. Lastly, Chateau is riddled with environmental hazards, including numerous brownfields, 74 environmental hazards, and 154 underground storage tanks. Yet, our concerns were ignored. Yet, none of this was disclosed to the public. All the information we compiled came from Right-to-Know requests. If there is a cleanup plan, that, too, has not been disclosed to the public. Few public meetings have been held, and the developer refuses to meet with us. Why are you hiding this information from us?

Manchester is Pittsburgh’s largest African American historic district and sits adjacent to the proposed Esplanade site. Residents are concerned about the development’s impact on property values, the supply of affordable housing in a rapidly gentrifying neighborhood, jobs, traffic, parking, and crime—not to mention toxic brownfields—in a historic, low- to moderate-income African American neighborhood. Regarding the proposed Esplanade site, one study from 2018 prohibits the use of groundwater, recommends that at least one foot of soil must cover the site prior to any residential use, a vapor barrier must be installed in all buildings on the site, and pits should be excavated. But none of this has been disclosed to the community. What more are you

hiding? Local politicians and government personnel have not adequately addressed community concerns and did not inform the community of the environmental reports. None of the elected or appointed officials at City Council, the Urban Redevelopment Authority, School Board, or County Council asked about the environmental impacts of the brownfield or historical resources on the proposed Esplanade site. There is currently no public benefits agreement or public impact statement. This situation requires environmental justice. We ask that you join us here in Manchester to discuss these findings and negotiate a community benefits agreement *with* the entire Manchester community.

Sincerely,

Deborah Blackwell Battle
